### INSTRUCTIONS

PRINT THIS PAGE. Then below, fill in the names of the *direct* recruits in your two chains (#1 and #2), then fill in the names (#3, #4, #5 and #6) of the next “generation” of YES voters on your two chains. You must confirm that your two direct recruits (#1 and #2) did their job *in full*, but it may be a good idea to confirm that their four new recruits also did *their* job IN FULL, and did it within one week of casting their own votes. Each of these new people should of course fill in their own name beside the word “Me” (on the left, below) and carry on from there.

There is nothing stopping anyone from starting more than two chains, of course, and the sooner we get to our goal of 2+ billion votes the sooner we’ll have the democratic world parliament. If you have 10 checkmarks and 7 names written in above, you are encouraged to sign and date your copy of this page and keep it for future generations of your family to see. If we succeed, that document will become a treasured family heirloom.
